ABSTRACT

Deterioration of human values has become a phenomenon in many nations, including India. This trend of decline in human values does not only pose serious threat to the future course of development of the country but even for its survival, respect and authority itself. Though, change in social/human values in younger generation is inevitable with time but the decline in Indian younger generation is at an alarming rate as compared to any other country all over the world. It devolves on the parents, teachers and society to imbibe the desired human values in the younger generation.

KEY WORDS: human values in present scenario, India's education system, human values.
