ABSTRACT

At present unemployment has become a burning problem of India. In India there are huge numbers of people deprived from getting employment. Such huge numbers of unemployed people are causing other serious problems to the society, like theft, dacoits, insurgency and a total unrest to the society. The situation of Assam is deteriorating day by day due to insurgency and other social problems, resulting from unemployment. Therefore, any person, any organization, agency or business concern, creating employment opportunities are playing a significant role in maintaining peace in the society on one hand, and enriching the economy of the state, on the other hand. There are a good number of Non Government Organizations (NGO) working in different field of the state. JAPI (Jateeya Activities Promoting Institution) is one among such organization, working for socio economic development of the state of Assam by promoting handicrafts.

KEY WORDS: unemployment, insurgency, organization, development, handicrafts, Non Government Organizations.
