

POLITICAL ANALYSIS OF INDO-PAK PARTITION OF 1947

ROUF AHMAD SHEIKH, DR.ALPANA BIMAL

RESEARCH SCHOLAR MEWAR UNIVERSITY CHITTORGRAH RAJ.

ABSTRACT

The main aim behind the selection of the topic is to pacify the curiosity as to find out the main reasons the partition of India if both were under the control of Britishers and were subjected to the same level of oppression, loot and abduction. What happened during the course of the British rule that both the communities Hindus and Muslims preferred partition after achieving of the long time awaited independence. Further the motive is expanded to know the factors of the partition and casualties occurred during it. Who were the main actors who did it and what was their real intention behind it? And also to estimate the casualties to put forth the view to eliminate the difference between people now living across the borders.

KEYWORDS: independence, aim, partition, political analysis.
